  - Zanata feedback survey for users. Package Maintainers and Translators.

# Future plans

---

- Moving translation deadline around Beta release
  - Its just after Alpha now and number of packages get change till Final freeze.
- L10n sprints
  - Wiki cleanup
  - Prepare TODO list.
- Test days
  - Focusing on other products. Cloud, Server and Atomic

# Future plans

---

- Increasing community around G11N
  - Finding Mentors
  - Listing out easy tasks
  - More events
- Executing FAD and brainstorming on new ideas

# Brainstorming points

---

- Language spins? (Local Ambassadors can help)
- Localization of Fedora Magazine articles?
- Fedora G11N status?
- How many languages we suppose to support?
- Are we doing good? If not how can we improve?
